Dear Bob,

On behalf of the Board of Directors, the Strategic Planning Committee, and myself, I want to thank you tremendously for donating your valuable expertise as facilitator for our recent Board retreat.

An organization like ours relies on the generosity of area professionals like yourself, whose citizenship extends to helping the nonprofits in the community.

This is the second time you have helped us in this fashion.

One of the greatest benefits of your presence, observations, and advice is that you are objective and candid about board/staff concerns while remaining sensitive to and interested in issues unique to our business.

So thank you again. You have given us much to think about.

Yours very truly,

Fran Gertz
