Dear Lori:

My sincere apologies for what is certainly a long overdue correspondence. It was great getting together over lunch recently with you and Bob, rehashing old times, current situations and possible future opportunities.

It goes without saying (but let me say it anyway), AGI's work here at Hasbro has been top notch and professional. You and AGI have made a real difference whenever you've been involved at Hasbro, be it Corporate Human Resources, Corporate Finance or our Playskool unit's Research & Development and Marketing areas.

Again, looking forward to our continued future association, I remain,

Sincerely,

  
Robert F. Carniaux  
Vice President, Human Resources
